

Apply for a building permit online:

The Town of Summerdale uses the online community development platform [Cloudpermit](#) for building permits and inspections. So, you can complete the entire building permit process online on your phone, tablet, and laptop. With Cloudpermit, you can:

- Apply for building permits at any time, from anywhere
- Check the status of your building permit or building inspection (when your application status changes, you'll automatically receive an email letting you know)
- Schedule or cancel building inspections
- Communicate with your building department with time-stamped messages
- Request and submit changes to an existing building permit

How to get started:

To start, create your Cloudpermit account by visiting <https://us.cloudpermit.com/login>.

Once registered as a contractor, you can apply for building permits and track their progress online.

How-to videos and support materials:

Cloudpermit has a variety of resources to help you – check out [Cloudpermit Support](#) for instructions on the basics and watch the instructional videos below to learn how to use the software (watch more [here](#)):
